

About us

SAT PREP is a unique institute which prepares students for international competitive examinations such as SAT, SAT Subject test, ACT, AP, TOEFL, IELTS, PTE. Each test has a very different set of skills that the students are tested upon. These skill sets are embroiled with aptitude, technical knowledge, application and timely judgement.

The pedagogy at SAT PREP varies from student to student, ensuring that each applicant gets individual attention which is otherwise not possible in class room set up. After understanding the needs of all students, SAT PREP devises a comprehensive individual road plan that takes the student to his desired score. That is exactly why, the best students choose SAT PREP over any other coaching platform.

SAT PREP also has extraordinary coaching for academic subjects.

Come for trial classes and experience the difference yourself !
